BURZICHELLI & RILEY ON SIGNING OF BILL CLARIFYING PROCEDURE FOR ELIMINATING NON-OPERATING SCHOOL DISTRICTS

(HADDONFIELD) – Assemblyman John Burzichelli and Assemblywoman Celeste Riley (both D-Gloucester/Cumberland/Salem) today released the following statements after Gov. Jon S. Corzine signed legislation they sponsored (A-4141) to clarify the procedure for eliminating non-operating school districts:

Burzichelli:

“A great deal of study has shown we can save money by consolidating certain things, and this seems to be a very obvious one. This doesn't seem like public money that's being well spent.”

Riley:

“School districts without schools are a New Jersey anachronism whose time has simply passed by.”
