ASSEMBLY DEMOCRATS LAUNCH FACEBOOK PAGE IN LATEST ELECTRONIC MEDIA OFFERING

(TRENTON) – The Assembly Democrats have launched their latest electronic media offering – the New Jersey Assembly Democrats Facebook page.

The page will allow those on the social networking site to view Assembly Democratic videos, photos, news updates and upcoming events.

The Facebook page comes after the Assembly Majority Office recently began offering e-mail news alerts, multimedia news releases and revamped its home page.

The public can sign up on the Assembly Majority Office Web site – www.assemblydems.com – to receive e-mail alerts detailing Assembly Democratic news.

The e-mail alerts are sent at 6 a.m. daily, allowing the public to get Assembly Democratic news updates on select topics.

Those who click on the “sign up for e-mail alerts” link on the Web site can choose to receive news updates from among 22 separate areas. Every Assembly committee is represented. Or, people can sign up to select all news released by the Assembly Democratic office.

They can directly visit <http://www.assemblydems.com/Subscription/SubscriptionSignIn.asp> to sign up.

The Assembly Democratic video releases can be viewed at the Web site or at www.youtube.com/user/njassemblydems.
